World Embroidery Day is celebrated each year July 30. It's a tradition that started in Sweden by initiative of members of Broderiakademin in 2011.

Feel free to print a pennant (or several) and spread the word about this day! Let the whole world know how wonderful embroidery is, and that we're celebrating this day together!

Happy Summer and a Great World Embroidery Day Celebration to you!

With Embroidery Love from Broderiakademin (Swedish Embroiderer's Guild)

Print on coloured paper, decorate with glitter glue, markers or crayons and then let's celebrate!

You could use this pennant as a pattern for making your own pennant garland in fabric by sewing & embroidering!
